

QUARSIL™

QUARSIL™

The new generation of Quarsil has been developed over 30 years and now features substantially improved properties. It is now even easier to clean and has a new intensity of colour.

HYGIENIC SURFACE

The advanced anti-bac surface quality of Quarsil ensure optimum safety when handling food.

DIRT-REPELLENT EFFECT

The material's fine structure means dirt that could be a breeding ground for bacteria finds it impossible to stick to the surface.

PRODUCT BENEFITS

Granite sinks are up to 80% natural quartz sand.

QUARSIL™ has been specially developed for the demands of the kitchen.

The rigours of everyday use vanish with hardly a trace.

Dirt-repellent effect
